  - ✦ Increased visibility and business enquiries
-

# Terms of Use

The usage of “G-Authentic” is governed by the following terms:

1. “G-Authentic” is a verification mark confirming a business’s existence, compliance, and basic credibility.
2. It is **not a substitute** for complete due diligence or legal authentication.
3. The “G-Authentic” certificate serves **only as an indicative validation**, not as a performance or service guarantee.
4. Buyers are encouraged to use additional methods for checking product/service quality before proceeding with any transaction.
